

the photographer

Hello! I've been in business for 13 years in southern Utah and I've loved every minute of it. When I'm not working you can find me spending time with my hilarious husband, Carson and darling kids, Oliver and Eleanor. I studied at Dixie State University and realized I wanted to capture people's memories for a living so I focused my learning in Business and Visual Technology. I'm a huge holiday celebrator, Halloween being my favorite. You can find more about me in the "about" section of my website as well!
